

Dear Parents, Students and Friends,

We welcome you once again to Shiamak's **Summer Funk™** 2009!!!
Have Feet Will Dance!!!

Shiamak's Summer Funk 2009 - 4 July, 2009 - Hammerson Hall, Living Arts Centre.

What is Summer Funk™?

The **Summer Funk™** workshop is a 'one-of-a-kind' training program for all age groups. During these sessions, each class begins with a 20 minute dance warm-up focusing on stretch and tone, and includes, as Shiamak describes it, "Dancercise" (dance workouts). The next 10 minutes are dedicated towards "technical work" and the remainder of the class caters to training the students for their dance. Students are taught a dance routine to a particular edited song and are trained in the finer nuances of performance. **Summer Funk™** is a "Tribute to the Trier". Every participant succeeds in conquering fear and emerges to be a true star. Each year SDI gives more and more people a platform to experience 'performing arts' and discover the STAR within them!!!

****Official certificates will be given only to the students who perform at the Summer Funk™ show****

Details of the show, costumes and ticket sales will be announced in class.

Attached below is our class schedule for Summer Funk 2009 - Batch 2, fee structure and requirements for class. Please review the entire information below and determine what is best suited for you and your family.
