

Shiamak's Bollywood Jazz Workshop In Ottawa

Dear Students/Parents and Friends,

What is the Shiamak's Bollywood Jazz Workshop Batch?

Shiamak's Bollywood Jazz Workshop is a 6 class training program for all age groups. During these sessions, each class begins with a 20 minute dance warm-up focusing on stretch and tone, and includes, as Shiamak describes it, "Dancercise" (dance workouts). The next 10 minutes are dedicated towards "technical work" and the remainder of the class caters to training the students for their dance. Students are taught a dance routine to a particular edited bollywood song and are trained in the finer art of performance.

Attached below is our class schedule, fee structure and requirements for class. Our classes are ONLY ONCE A WEEK on Fridays.
