BOLLYWOOD DANCE WORKSHOP

Shiamak Davar is an Indian Choreographer known to be one of the first to have brought contemporary jazz and western dance forms to India and modernizing dance in the film & theatre industry.

With the motto ***Have Feet. Will Dance.***, Shiamak Davar International is the world's biggest dance academy, spreading joy of dance to ages four to eighty-four for more than three decades. Our dance classes are a phenomenal opportunity for students to learn a wide array of dance techniques, express their feelings creatively and get the opportunity to showcase their talent on stage. Our faculty teaches Shiamak Davar's original dance styles including Shiamak's Bollywood Jazz, Shiamak Style (Contemporary), Shabop (an amalgamation of Hip Hop & Street Funk) and Shiamak's Yoga - Inner Dance Movement.

SHIAMAK London continues to spread joy & happiness through dance and these are our core fundamentals while delivering **Bollywood Dance Workshops** at various schools across the London and neighbouring regions. The workshops will be held during regular school hours, Monday through Friday, for 30 - 35 minutes per group. Students may be divided into a total of 8 groups based on their grade level. Our instructor/s will work with each group to teach them a dance routine while educating them about dance technique, culture, expressing feelings as well as health & wellbeing.
